FALL COLLECTION 2013

FALL COLLECTION 2013

Whether you are running to the office or off to enjoy a fabulous night on the town, Fabrizio Gianni offers versatility and sophisticated styling for every woman.

For over 15 years, our collection has been produced here in the U.S. and our designers carefully handpick our imported fabrics from Europe. The only thing that has changed since our launch is the designs. Each piece has endured its perfect balance of quality, comfort and style for sophistication.
